# Smart products for your home

## Home security is now smarter, safer, better with IntelLink by PSA Products.

Our unique system gives you the ability to view, hear, and speak with anyone at your doorstep. Paired with our powerful IntelLink app and indoor monitor, you can now track and record door-front interactions, release door-lock and customise additional features anytime and place.

## Be Connected

Answer your front door from your living room monitor or anywhere in the world with your mobile device.

## Be Smarter

Answer, talk, monitor, record or release the door lock from the monitor at home or from your mobile device anywhere.

## Be Stronger

A metal IP65 weather rated door station designed to meet Australia's toughest conditions.

## Be Safer

When SD card is fitted, record images by motion detection or doorbell press or record images.

## Be Better

On standby, use the monitor as a digital photo frame to display your favourite family photos.

## All in 3 Simple Steps

1. Install intercom.
2. Download the IntelLink app and register an account.
3. Add the intercom to app.
